NOTE: 60" & 72" AT-Charcoal (-5, -15, -35, & -50), AT-35 Green & **UV Shield (60")** linear foot rolls, can be slit into 25 linear foot increments with a price surcharge.

Through our Custom Slitting Program, any 60" or 72" roll can be slit to any width. You must take the complete roll. The slitting charge is \$5.00, regardless of the number of cuts made.

CAUTION: Auto films should not be used for Flat Glass applications. The product warranty will not apply.
