

# DURASHIELD™ SATIN™

MATTE FINISH SURFACE PROTECTION FILM

## Vehicle Surface Protection with a Sophisticated Sense of Style

- Flatten the appearance of most glossy painted surfaces with a trendy, matte finish.
- Protects damage-prone vehicle surfaces while adding a stylish, visual enhancement.
- Selective coverage of specific vehicle areas creates a subtle two-tone effect.
- Cover all or any part of a vehicle with available widths up to 54 inches

*As a graphic, DuraShield Satin™ creates a unique, yet subtle, matte tonal effect on many colors.*

*As a surface protection film, DuraShield Satin™ keeps "high impact" areas of vehicles, protected from damage caused by small stone chips, road debris and insects.*
